DATE                      AGENCY                      PHONE NUMBER                      PERSON CONTACTED

9/27/84                      Wayne Co Health                      (313) 326-4900                      Bob Rotz  
Location 82 015 08E 2 4CC

Mr. Rotz explained that Dial Trucking ~~had~~ a landfill area on their property which was a <sup>solid waste</sup> transfer facility. The property is currently owned by Meteor Metal and the landfill area is no longer used. The site is 26 acres in size and air testing has ever been done although the Health Dept is considering some sampling.

Surface water contamination is likely signs of leachate being released from top & bank of landfill which is near a creek.

The site is fenced although there is no fence facing the creek, but the bank is extremely steep, therefore the site is fairly secure.

The site is not regarded as a fire hazard to any degree.

Work type was Municipal - Industrial mixed.
